

Level 2 Award in Babysitting

About CACHE (U.K):

CACHE (U.K) was established in 1945 by the Ministry of Health under the name of the National Nursery Examination Board (NNEB). The board set the syllabus for the first national examination which took place in 1947. Written and developed by experts, they have helped millions of learners across the world to raise professional standards, earning them a reputation for excellence and leadership across the sector. Their continued dedication to those who care for children, young people and adults means that their qualifications will continue to meet the needs of a modern workforce.

About CACHE (U.K) at PODAR:

Podar is proud to be the only Institute in India to run CACHE (U.K) approved courses.

Programme Overview

Daycare is a fast growing industry but there are no courses that fully prepare you to be a part of this. If you would like to join a programme that is tailor-made for individuals looking to be a part of this industry, then this is the course that helps you understand how to be a part of it. This course provides an understanding of the skills needed when babysitting and taking care of children.

CACHE level 2 Award in Babysitting includes vital information needed by learners such as the babysitters' responsibilities to the children they care for, their responsibilities to the parent(s), and accident prevention and safety. This qualification covers age ranges from birth to 5 years 11 months and consists of mandatory units as well as optional units. Successful completion of the programme prepares students for further learning or training and/or develops their knowledge and/or skills in Babysitting and taking care of children.

Learn in an inviting environment and experience blended learning by integrating online courses as well as face to face classes.

Progression Credits achieved in the Level 2 Award in Babysitting can be counted towards the CACHE Level 2 Award in Preparation for the Responsibilities of Parenting which is also offered at our Institute.
