

Level 2 Certificate

in an Introduction to
Early Years Education and Care

About CACHE (U.K):

CACHE (U.K) was established in 1945 by the Ministry of Health under the name of the National Nursery Examination Board (NNEB). The board set the syllabus for the first national examination which took place in 1947. Written and developed by experts, they have helped millions of learners across the world to raise professional standards, earning them a reputation for excellence and leadership across the sector. Their continued dedication to those who care for children, young people and adults means that their qualifications will continue to meet the needs of a modern workforce.

About CACHE (U.K) at PODAR:

Podar is proud to be the only Institute in India to run CACHE (U.K approved courses.

Programme Overview

The CACHE Level 2 Certificate in Early Years Education and Care is designed for the learner with little or no experience in childcare. The aim of this international qualification is to prepare learners to work with children between birth and five years. The programme includes theoretical knowledge as well as practical knowledge, and students will be expected to study and take part in a working placement.

CACHE Level 2 Certificate in Early Years Education and Care covers the role of the Early Years Practitioner, understanding legislation, supporting children's play and professional development. This qualification covers children aged 5 years and under and consists of mandatory units as well as optional units.

Successful completion of the programme helps learners progress to our Level 3 qualification.

Learn in an inviting environment and experience blended learning by integrating online courses as well as face to face classes. Learners will also be assessed and gain competence in real working situations, making this course ideal for individuals who want to join the Early Years Education sector with a solid understanding of the role and practices of an Early Years Educator.

What are the entry requirements?

You should be at least 18 years old and have passed the class 12th exam.

How is it assessed?

All units will be internally assessed using a range of methods. This could include direct observation within the workplace, a portfolio of evidence, written assignments or a task set by CACHE. Some learning outcomes within this qualification will require assessment in a real work environment.

Do you need to be working to take the qualification?

Learners will need to be working, volunteering or on a practical placement as an important part of the assessment process involves evaluating skills in real working situations. CACHE recommends 250 placement hours.

How long does it take to complete?

This qualification will take one year to complete.

When is this qualification available?

This qualification will be open for registrations from 15th March, 2016.

Qualification Structure

We have structured the units around the following four themes (Group A)

- 1 Introducing the role of the early years practitioner
- 2 Legislation, framework and professional practice
- 3 Play, development and learning for school
- 4 Professional development

Learners must achieve a total of 33 credits:
29 credits from mandatory group A;
plus 4 credits from optional group B.

Optional Units (Group B)

- 1 Support healthy lifestyles for children through the provision of food and nutrition
- 2 Support healthy lifestyles for children through exercise
- 3 Support children with additional needs
- 4 Support creative play

What could this qualification lead to?

Upon achievement of this qualification, learners will gain their licence to practice and it is intended that learners will be able to enter the field of Early Childhood Education as an Early Years Educator. If you wish to work abroad (UK, Dubai, etc..) as an

- Assistant Teacher in Children's Centres/ Nursery
- Assistant Practitioner in Nursery schools.
