

# **NCFE CACHE Level 2 Award**

## **in Preparation for the Responsibility Of Parenting**

### **About CACHE (U.K):**

CACHE (U.K) was established in 1945 by the Ministry of Health under the name of the National Nursery Examination Board (NNEB). The board set the syllabus for the first national examination which took place in 1947. Written and developed by experts, they have helped millions of learners across the world to raise professional standards, earning them a reputation for excellence and leadership across the sector. Their continued dedication to those who care for children, young people and adults means that their qualifications will continue to meet the needs of a modern workforce.

### **About CACHE (U.K) at PODAR:**

Podar is proud to be the only Institute in India to run CACHE (U.K) approved courses.

### **Programme Overview**

Becoming a parent can be quite overwhelming and with a lack of training or support, what should be a positive life-changing event may feel too challenging. If you would like to prepare yourself and learn more about the responsibilities of being a parent then this is the course for you. CACHE Level 2 Award in Preparation for the Responsibilities of Parenting covers the welfare and care of babies and young children, respecting and valuing them, and the importance of a healthy lifestyle. This qualification covers children aged 5 years and under and consists of mandatory units as well as optional units. Successful completion of the programme prepares students for further learning or training and/or develops their knowledge and/or skills in parenting and taking care of children.

Learn in an inviting environment and experience blended learning by integrating online courses as well as face to face classes.
