

Level 3 Diploma

for Early Years Workforce (Early Years Educator)

About CACHE (U.K):

CACHE (U.K) was established in 1945 by the Ministry of Health under the name of the National Nursery Examination Board (NNEB). The board set the syllabus for the first national examination which took place in 1947. Written and developed by experts, they have helped millions of learners across the world to raise professional standards, earning them a reputation for excellence and leadership across the sector. Their continued dedication to those who care for children, young people and adults means that their qualifications will continue to meet the needs of a modern workforce.

About CACHE (U.K) at PODAR:

Podar is proud to be the only Institute in India to run CACHE (U.K) approved courses.

Programme Overview

The CACHE Level 3 Diploma in Early Childhood Education-Early Years Educator prepares learners to become Early Years Educators, enabling them to work with children from birth to 5 years. This qualification is suitable for a range of learners, either working or wishing to work in early years education and care. It will help any learner gain an immense amount of knowledge in a well designed structure to ease soaking up all the vital information needed to be an Early Years Educator. The modules have been created to teach learners a vast array of vital knowledge necessary when working with children.

The CACHE Level 3 Diploma in Early Childhood Education-Early Years Educators covers children's health and wellbeing, understanding legislation, understanding the value of play and professional development. This qualification consists of mandatory units as well as mandatory guided learning hours.

Learn in an inviting environment and experience blended learning by integrating online material as well as face to face classes. Learners will need to be working, volunteering or on a practical placement as an important part of the assessment process involves evaluating skills in real working situations. CACHE recommends 350 hours across the following age ranges: 0 - 1 year 11 months | 2 - 2 years 11 months | 3 - 5 years

What are the entry requirements?

You should be at least 18 years old and have passed the class 12th exam.

How long does it take to complete?

This qualification will take 1-2 years to complete depending on experience.

How is it assessed?

To gain this qualification the learner will need to: Pass all units, Complete longitudinal study, Show competence in a real work environment.

When is this qualification available?

This qualification will be open for registrations from 15th March 2016.

Do you need to have practical placement?

Placements are required for achievement of this qualification. A minimum of 350 placement hours is required. During placement, learners will need support from a professional within the real work environment who will be required to complete professional development records.

Qualification Structure

We have structured the units around the following four themes

- 1 Health and well-being
- 2 Legislation, frameworks and professional practice
- 3 Play, development and learning for school readiness
- 4 Professional development

Learners must achieve 23 mandatory units, 486 guided learning hours (GLH) and 61 credits.

What could this qualification lead to ?

Upon achievement of this qualification learners will gain their licence to practice and it is intended that learners will be able to enter the field of Early Childhood Education as Early Years Educators.
