

NCFE CACHE Level 5 Diploma

in Leadership for Health and Social Care and Children and Young People's Services

About CACHE (U.K):

CACHE (U.K) was established in 1945 by the Ministry of Health under the name of the National Nursery Examination Board (NNEB). The board set the syllabus for the first national examination which took place in 1947. Written and developed by experts, they have helped millions of learners across the world to raise professional standards, earning them a reputation for excellence and leadership across the sector. Their continued dedication to those who care for children, young people and adults means that their qualifications will continue to meet the needs of a modern workforce.

About CACHE (U.K) at PODAR:

Podar is proud to be the only Institute in India to run CACHE (U.K) approved courses.

Programme Overview

NCFE CACHE Level 5 Diploma in leadership for Health and Social Care and Children and Young People's Services provides skills and knowledge needed to manage, practice and lead others in adult health and social care provision or in children and young people's service

The **Management Pathway** is suitable for Assistant Managers and Deputy Managers working in day or domiciliary services who are looking to progress in their careers.

The **Residential Services Pathway** is aimed at those in similar job roles as those taking the Management pathway but the focus is on management and care in residential setting.

The **Advanced Practice Pathway** is geared towards senior practitioners who would like to develop their careers but wish to remain active practitioners in the management framework.
